Dear Pro-life Colleague,

We try to put out meaningful alerts. This is one. Tomorrow the U.S. House votes on a bill that does not specifically exclude tax funded abortions, therefore it includes tax funded abortions. As a doctor, nurse, or lay person, NOW is the time to register your opposition. Call your House Congressperson. Identify yourself and profession, and TELL THEM "VOTE NO FOR ANY LEGISLATION THAT ALLOWS (THAT DOES NOT EXPLICITLY EXCLUDE) TAX FUNDED ABORTIONS." It is critical that you act now.

To get the phone # of your representative, go to

<http://www.frc.org/contact-elected-officials>

and follow the prompts to get your own representative.

Or put in your zip, if you don't know the name. Click on "contact" to get the phone number. Call. Give your message. It is what we can do!

OR, call the Capitol Hill Switchboard at 202 224 3121 and ask for your representative.

OR, email your representative at <http://stoptheabortionmandate.com/take-action/contact-your-elected-officials/>

One of the above should work for you! Work for Life.
