Caritas Women's Care

Baylor St. Luke's Medical Group – Caritas Women's Care's Obstetrics and Gynecology (OB/GYN) practice is seeking a full-time OB/GYN Physician to join our well-established and thriving practice located in the vibrant suburban community of Sugar Land, Texas. A strong commitment to natural family planning, infertility, and reproductive medicine is essential.

The practice is located on the beautiful St. Luke's Health Sugar Land Hospital campus. It offers a beautiful, fully-integrated women's center designed for obstetrics and gynecology care, labor and delivery, Level II NICU (in partnership with renowned Texas Children's Hospital in Houston), and access to DaVinci robotic surgery. The practice location provides easy access to surrounding neighborhoods, attractions, and dining. Sugar Land provides the perfect balance of suburban living with convenient access to the amenities of nearby Houston.

Baylor St. Luke's Medical Group represents a collaborative partnership between St. Luke's Health System and Baylor College of Medicine.

We offer a generous benefit package, including but not limited to:

- Medical, prescription drug, dental, and vision plans
- Wellness
- Professional growth opportunities
- Dependent care
- Work-life balance
- Life insurance
- Paid time off
- Tuition reimbursement
- Retirement plan benefit(s)
